### Acknowledgements

This edition of the index to *EPW* has been prepared as part of a project to compile a comprehensive subject and author index to the journal from its inception in 1966. The project is being directed by G K Manjunath, Chief Librarian, Indira Gandhi Institute of Development Research (IGIDR), Mumbai, to whom we are deeply grateful for his labour of love. Moushumi Tongaonkar assisted in the preparation of this edition of the index. IGIDR has very kindly made available computers and office space, for which we are indebted to R Radhakrishna, Director of IGIDR. We also thank R Nagaraj for giving us his time and advice unstintingly.
